

# ALLSTAR

## DENTAL EQUIPMENT SALES & SERVICE

### ALLSTAR DIGITAL CHECKLIST & AGREEMENT

#### Dental Office Responsibilities:

- Dedicate a computer for new x-ray equipment before time of install
- Imaging Software and Patient Management must be installed before training can occur
- Electric and support in walls must be manufacturer's specifications and completed before install
- Arrange necessary staff that will be using the machine for the desired training time, determined before install
- Office is responsible for total bill or remainder of the bill due at the time the x-ray enters the dental office/property

*\*If Allstar Dental must complete any of the above tasks your office may incur costs.*

Our preferred partner for finance is Marlin Health Care Finance Group
